**Dear Ms Cernakova,**

**On behalf of President Buzek I would like to thank you for your kind words of congratulation. Such words are very important to President Buzek, especially when they come from citizens themselves.**

**European education is very important and we are very happy to hear that also geography lessons teach about the role of the European Union, European Parliament and individual Member States. We hope that such lessons will further encourage students to increase their knowledge about the European Union and its institutions.**

**With my kind regards,**

**Andrzej Więckowski**

**Assistant Prof. Jerzy Buzek**

**President of the European Parliament**
