

"For seven years we have been helping our teacher Mr. Malega to support the project „škola namiesto ulice“, in English „School instead of the street“. Currently, we are supporting a 16-year old girl Farahnaz Sayed Khan Agha and 8-year old boy Basir Nasir. Thanks to the amount of 330,- € we can provide them with a yearlong school attendance. This school year, we managed to collect 710,- €, more than in any of the previous years. For all these years we have collected 2 662,- € thanks to the help of our students, teachers and friend of our school“ - viac [v článku Tomáša Čuláka z III. A](#)
